Organizations

Student Council

Student Council, the governing division of the student body, is composed of duly elected officers and representatives from each class including the affiliate classes. It is a method of student self-government which is granted and supported by the school administration. Weekly meetings are held to consider infractions of regulations with which students are charged, to discuss current problems, and to suggest improvements for the general welfare of the student body. It offers one a true insight into student problems and administration policies. Prestige and respect are given its members as representatives of the student body.

Since its organization in 1950, the Louisiana Association of Student Nurses has played a vital part in student life and activities. The association has functioned to prepare students for membership in graduate associations by acquainting them with the purpose, goals, and programs of the professional organization, thereby providing a solid foundation upon which to base their activities in the association.

This year's group has been very active on local, state, and national levels. Anneta Stanton, Charity's candidate, was chosen Student Nurse of the State. Our display carried away the Chadwick Award, first place trophy at the state convention. Charity placed two students in local offices and one in a state office.

Under the sponsorship of Miss Gloria Gernhauser, Charity's L. A. S. N. can point with pride to a year of progressive and effective organization.

Protestant Chapel

Protestant Chapel provides an opportunity for all Protestant girls, from Charity and affiliating schools, to get together for a devotional period once a week. Guest speakers are invited for each devotional time and give brief ideas, opinions and discussions on various subjects.

The Protestant Chapel has had a very good year of spiritual activity, which includes chapel services, Bible studies and discussions, charitable assistance to the needy, and occasional social get-togethers.

B.S.U.

The Baptist Student Union is a religious organization composed of all Baptist students within the school. Our purpose is to provide opportunities for Christian fellowship and spiritual enlightenment.
